NOTE FOR: Chief, Plans and Programs Staff, OL

FROM:

[redacted]
Executive Officer, OL

Ike:

1. [redacted] telephoned to advise that both OLC and OGC felt that the Senate Bill as proposed does not include sufficient authorities as currently contained in our Section 8. Apparently OLC will be getting out a critique requesting comments for a reclama to the Senate some time next week.

2. In the interim the DDA has asked [redacted] to contact the major DDA components for examples of the essential uses we make of Section 8b. Brad cited our housing authority in [redacted] as a case where only DCI extraordinary authorities authorized it (presume here, he is talking about housing subsidies). Could you poll the divisions, plus use your own knowledge, and pull together some examples. Would like to see a rough draft by COB tomorrow, 24 February, with a final memo going to SSA/DDA by noon Monday, 27 February.
